# evolphin

Evolphin
Cloud Solutions

Evolphin Wave
Lightweight cloud-based review and approval for small businesses

VideoLX Hybrid
On-premise storage synced with Evolphin MAM in the cloud for mid-sized businesses

Custom Cloud
Full service custom deployment mixing on-premise and cloud infrastructure as needed for large enterprises

VIDEO LX HYBRID

- Evolphin MAM in the cloud or on-premise for mid-sized businesses
- MAM integrates directly with on-premise storage
- Evolphin Transcoder automatically generates proxies of high-res video
- High-res video remains on-premise while proxies sync with the MAM, avoiding uploading all your media to the cloud
- 1-click switching between proxies and high-res video in Adobe Premiere
- Cost effective and hardware agnostic

CUSTOM CLOUD

- Custom deployment for large enterprises
- Deploy infrastructure on-premise and in the cloud as needed
- Workflow and infrastructure consulting for optimum results
- MAM and Preview servers can be deployed worldwide
- Zoom Non-Stop for multi-database syncing and high availability disaster recovery
- Automatic proxy and mezzanine generation on ingest using integrations with leading hardware transcoders
- Seamless integration with archival solutions
- Rich API access for unlimited integrations with third-party solutions

EVOLPHIN WAVE

- Cloud-based SaaS
- Drag and drop to upload videos, images, and documents
- Fast and easy to use
- WYSIWYG theme editor for branded presentations
- File transfer tools
- User rights management
- Clients and team can leave timecode-accurate comments
- Mark comments as done when addressed
- Flexible link management for sharing media

ABOUT EVOLPHIN AND ZOOM

Evolphin Software is the first of its kind in Rich Media Asset Management. Zoom leverages the industry's first high-performance in-memory deduplication of content, allowing users to create, share, and collect insights, and provide rich media to their clients in the fastest way possible. See Zoom in action for a different approach to media workflow management that will make you re-think conventional wisdom with a new generation of products and capabilities. Companies around the globe, covering the Advertising, Broadcasting, Media/Entertainment, Retail, and Healthcare industries, currently deploy Zoom.
